Free Courses At PB Jr. Hi Tonight

The Palm Beach Power Squadron, a unit of the United States power squadrons, is about to start its free course in piloting and small boat handling at the Palm Beach Junior High School in Palm Beach, Seaview and Coconut row, on Thursday night January 10 at 8 p. m.

The course will continue on every following Thursday night for 12 consecutive weeks. The course is open to men and women and even children when accompanied by an adult so make

In Russia—

Do A Good Job — Get Picture Took Not So Good — Hello, Siberia!

"Thank God you were born an American citizen," Bob Cronin, president of the Communist Club of the City of Palm Beach, Association of Riviera Beach, told Rotarians last Friday.

Communist Russia is about "fifty years behind this country in its standard of living," the speaker said. "A look inside of homes breaks down the first impression from the outside—plumbing is not available in many suburban areas."

"Russia's aircraft appear luxurious from the outside, but when you get inside we learn about the same as our own during World War II, run ways are good, but terminal facilities are very drab."

"Children of working parents are sent away to what is referred to as 'Pioneer Schools,' designed to wean youngsters from religious influence."

March of Dimes

Glades Leaders For "Mothers March" Make House to House Calls Jan. 24

With key campaigners already at work throughout Palm Beach County, Mrs. Neal Wellman, county chairman for the March of Dimes, "Mothers March" this week renewed an appeal for more volunteers.

Mrs. Wellman said "Mothers March" chairmen have been named in nearly all communities in the county and these leaders are now at work organizing the March of Dimes drive.

Yankee Cold Spell Maybe Does It!

Acting City Manager Frank Anderson reports that to date there have been 25 filed applications for the post as Belle Glade City Manager, although the pay for the job hasn't been announced.

There is some speculation that the cold weather north of us may have had something to do with the influx of applicants.

Then, too, the average term of employment of City Managers in an average-sized city is measured in months.

Any job that necessitates the pleasing of a small community City Commission, which in turn is very sensitive to the complaints of the voters, plus doing a jam-up job of managing, carries with it a short life expectancy—we are at about the average in this line!

Communism—

High School Students Will Learn Where, When, How & Objectives

Our legislature has made it obligatory that all high school graduates will have reliable information on Communism—where it originated, what its aims and objects are, how it works with the "intelligence" works with the unsuspecting, and most of all its comparison with our own Democratic way of life.

Congressional committees that have spent years in compiling reliable information from former higher-ups of the ideology, from present members, and from the outstanding work of Mr. Hoover and his FBI.

Eminent teachers and students of history, political science and just ordinary folks have collected in these efforts to secure the real "low-down" on

it a family affair. The course covers just about everything the small boat operator should need to know to operate his boat safely, legally and efficiently. The buoy systems as well as lights and whistle signals are thoroughly explained. The class is not alone for the novice but is a great refresher for the experienced boat man as it brings up to date the latest state and national law as it effects small boats. You are all invited!

Rewards to workers for a job well done are not increases in salary of approximately 100 city Federal Savings and Loan Association of Riviera Beach, told Rotarians last Friday.

The high regard of the Russian state for their leaders is demonstrated in the fact that daily a line two miles or more in length from before the mausoleum where Lenin's body lies in state.

In the opinion of the speaker, "the only field in which the Russians excel the US is in rockets, missiles and military."

"To us in Russia and come out is like passing from slavery to freedom," the speaker told Rotarians.

Mother's March Needs Volunteers

Volunteer workers are needed for the Mother's March in Belle Glade that will take place Jan. 24. If you are willing to help as a volunteer from 7 to 9 a. m. please call Mrs. Emmett Harris, chairman at WY 6-3189 or Mrs. Barnes Smith, assistant at WY 6-3321.

The Palm Beach County Chapter of the National Foundation has set a goal of \$50,000 to be raised this month. It will be used for research, patient care, braces, wheel chairs, other needed items and nursing scholarships. "Many Hands Make Light Work" Help Belle Glade in raising its share! Remember Jan. 24 but call today! More than 700 children are born each day in the U. S. A. who have significant birth defects. These children may be helped through your efforts.

The annual appeal for the March of Dimes has been sent by mail to many residents in Palm Beach County. If you have received the "Mailed" you may participate in the March of Dimes by giving it to the volunteer who call on you home Jan. 24 instead of mailing it in.

Hospital Auxiliary Begins Membership Drive January 15

The Women of the Belle Glade Memorial Hospital Auxiliary plan their annual membership drive under Mrs. J. Allen Baker, chairman due to start Jan. 15 and to run through Feb. 15 so that each individual in the community can be reached and give.

Mrs. David W. Balke, president advises that the auxiliary functions to render assistance to the hospital, and it is this contact with the General Public once each year that enables them to obtain funds to carry through the various projects the women undertake. All monies collected are used exclusively by the auxiliary to carry on their volunteer work at the hospital for the betterment of the human touch so needed.

The cooperation and monetary help of every citizen in the district and community is needed more than ever this year, while we await the construction of the new hospital scheduled to begin at an early date.

Please be generous this year when the auxiliary members call on you and have the satisfaction that whether your contribution is small or large, you help the work at the hospital, make the difference this year worthy of the spiritual conscience of the community.

Carl E. Tramel Buried In Lakeland

Funeral services for Carl E. Tramel, 65, of Belle Glade, who died at Belle Glade Memorial Hospital, Jan. 2 after a brief illness, were conducted at 10 a. m. Saturday at Williams Funeral Chapel, Belle Glade. The Reverend L. D. Loring, pastor of St. John's Episcopal Church officiated.

Graveside services were held at 4 p. m. in Roselawn Cemetery, Lakeland. Pallbearers were D. W. Fisher, T. E. Summers, Jack Little, E. A. Wolf and honorary pallbearers Reginald Lewis and S. S. Holland.

A native of Florida, Mr. Tramel had lived in South Bay for two months, coming from Rockville, Md. He was affiliated with the Methodist Church and was a member of the Knights of Pythias Lodge in Gatorsburg, Va.

Survivors includes his widow, Mrs. Ottilie Tramel, South Bay; two sons, Norman Glover, Belle Glade; a brother, Charles M. of Washington, D. C.; three sisters, Mrs. Sarah Hancock, Atlanta, Ga., Mrs. Leslie Beckwith, Athens, Ga., Mrs. Irma Mosely, Roanoke, Va., and two grandchildren.

Williams Funeral Home was in charge of arrangements.

It is suggested that all citizens participate to whatever extent desired, from \$1.00 up. The local Committee expresses the hope that as many as 500 would come up with \$1 each. Next desirable would be 100 folks with \$5 each.

It is estimated that five units will be needed in Belle Glade—two each for Belle Glade High and Lake Shore High, and one for the Belle Glade Public Library.

Mr. Ed Lively, President of the Fla. National Bell Glade has agreed to accept donations for the local needs.

Mr. Watkins has proposed that the same classes be made available for adults, and plans are being considered for such in the Glades.

Religious Census To Be Taken Sunday

An Area-wide Religious census will be taken Sunday, January 13, 2:00-5:00 p. m. in Belle Glade, South Bay, Pahokee, and Canal Point in preparation for the E. J. Daniels Crusade.

The census under direction of Rev. Jack Edwards of Belle Glade Alliance Church, will be conducted by 13 churches who are participating in the crusade.

Quotas have been in effect for the past eight rice crops, being approved for 1962 by a 94.2 percent favorable vote. To remain in effect for the 1963 rice crop, the quotas must be approved by at least two-thirds of the growers voting in the Jan. 11 referendum.

Under the law, the Chairman explained, marketing quotas must be proclaimed for the 1963 rice crop because supplies exceed demand. According to present estimates, the 1962-1963 total supply of rice for marketing is about 69 million hundredweight—4.3 points above the marketing quota level.

During the opening celebration, high trade-in allowances and special celebration prices are being offered, Bob says. Everyone is invited to stop by and see these popular models at 364 South Main Street.

Postal Receipts Gain 12.9 per cent

Postmaster Rosa A. Nash announced today that the local post office is keeping pace with the growth of Belle Glade. Mrs. Nash reports an increase of 12.9 percent in receipts for calendar year 1962 over calendar year 1961, and 21.5 percent increase over 1960 when the sugar industry first started in the area.

Mrs. Nash also commented that Monday's stamp sales, when the increase in rates went into effect, were higher than any day's sales throughout the year except for one day at Christmas time. "I don't know whether people just waited until Monday to buy a supply of new stamps, or whether we were going to be that busy any day," Mrs. Nash added; for in addition to the stamp sales we had a record day in money order issued for the year and we registered 102 letters.

It is in the incoming mail volume where most of the gains have been noted over the year said Mrs. Nash with parcel post showing the greatest increase over 1961, up over 100 percent.

Voters Rebel—Vote No In Sewerage Extension!

With less than 25 percent of those registered as freeholders showing up—255 of a near 1,200—the City Fathers have heard "NO" to their question of—

De we get better water from the Lake?

De we extend sewerage where justified in the city?

In the questioning of local home owners, all oldtimers—we found sentiments like these: "Why should I abandon a \$1,000 septic tank, grease trap and drain field for the privilege of paying \$200 more for an installation, and then pay \$3.50 per month from now on; or use my own facilities and pay \$3.50 per month?"

A small home owner, salaried says: "Where am I going to get the \$200 to have the connection made, and anyhow, why the \$200?"

Three owners of rental property agreed over coffee "It seems that there is a continued uppin and addin of taxes—a reduction in millage and an addition to assessment—no adding to the electric bill by a tax; just where in it (Belle Glade) will it stop?" There were two ladies in the group.

The aggrivators went out to vote—a lot of the others stayed home, went fishing, or "just forgot."

Anyhow, this is not Russia or Cuba—we CAN vote if we want to!

Slaughter Cattle Prices Higher

Prices were good Monday and packers were pleading for slaughter cattle of all kinds, Manager George Young, reported at the Monday Livestock Market. "There is a limit to what they can pay, but grade for grade prices are higher than in Chicago," he added.

At Monday's sales the offering was a total of 263 head, selling for \$31,523.26, 68 per cent to slaughter and 32 per cent to stocker, 18 percent in the run was cows and 94 percent went to slaughter.

Musical Carnival opens Season Feb. 19th

Musical producer Johnny Price announced today that his West Palm Beach theatre-in-the-round will open its sixth season on February 19th with the prize-winning musical hit "Carnival".

Season subscriptions for the schedule of six shows are available now. Price said, and full information and order blanks may be obtained by calling OV 3-2040 or by writing the theatre at Box 2108, West Palm Beach.

Season subscribers have first choice of seat locations and tickets for the individual shows go on sale to the general public. The rest of the schedule will be announced shortly.

CARNIVAL won the Critics Circle Award for best musical of the 1961 New York season and is still running on Broadway. Its memorable story of a shy young girl who joins a traveling circus and falls in love with a puppeteer is based on the popular movie hit LILLI.

This charming tale has been written for the stage by Michael Stewart and set to music by Bob Merrill.

Favorite songs in the show include "Love Makes the World Go Round," "A Very Nice Man," "Yes, My Heart," "Beautiful Candy," "Everybody Likes You," and "It Was Always You."

With its colorful circus setting, complete with a magician, acrobats, and puppets, CARNIVAL is a delightful show for the whole family.

Letters to the Editor

Mr. Luther Jones
c/o Belle Glade Herald
Belle Glade, Florida
Dear Mr. Jones:

Many of the persons who were on our recent National Junior Vegetable Growers Association Tour through the Glades area stated that this was the most enjoyable and educational tour in

the South. These young people with their adult leaders represented approximately forty (40) of the states throughout our country. All of us from Florida are proud of the excellent impression they received about Agriculture in our State. On behalf of the Tour Committee and the Members of N. J. V. G. A. I would like to express appreciation for your wonderful cooperation and assistance in making the tour a success.

It is through the cooperative efforts of people such as you that we can continue to improve the Agriculture program for our youth. Thank you again for your assistance, and if at any time I can be of service to you please let me know.

Sincerely yours,
C. M. Lawrence

1963 Miami Auto Show Opens Today

Sparked by greater factory participation than ever, before the 1963 Miami Auto Show will open its doors Thursday, Jan. 10, at Dinner Key Auditorium featuring both domestic and imported automobiles in the week-long show running until January 16.

Recognizing South Florida as the eighth largest automobile market in the country, parent manufacturers contributed heavily to the entire 100,000 square foot auditorium display area.

Beautiful girls will take their place along with the sleek new models.

Miss America of 1963 — Jacquelyn (Jackie) Mayer — will be official hostess in the Oldsmobile display. Bunnies from the Playboy Club in Miami will add their presence to the Ford Motor Company exhibit.

This year's Auto Show queen is a blonde University of Miami sophomore — Judith Dawn Balter, shapely (37-24-36) and tall 20-year-old beauty.

Beta Club Sponsoring

Dance After Game Friday

The Beta Club is sponsoring a dance in the Belle Glade High School cafeteria Friday night after the Pahoekes — Belle Glade Basketball game. Students of both schools are invited to attend.

If all the fruits and vegetables produced in Florida in a single year were loaded by rail, it would require a train almost 2,000 miles long.

New Arrivals

During November, the City got \$9,454; South Bay got \$1,867; Pahoekes \$3,870 and Clewiston \$3,520.

Service

Isn't something we talk about and never accomplish in our office?

Service is the independent agency business.

That includes surveying a customer's needs, the careful preparation of policies, help with claims and accident reports, it means studying new coverages and offering advice in the selection of policies. It means guarding your dollars as if they were not even.

We can't do this and carry our office in our hat like some underwriters. It means that we must employ a full-time office force, that is competent to give you the best when it comes to service.

Billy Graham Commends

Daniels Revival E. J. Daniels for many years and has profound admiration and respect for his work. He unquestionably has the gift of evangelism, and God has used him in his ministry in crusades in many parts of the United States. His message is earnest, sound, and biblical. I commend him as one of God's anointed heralds and feel confident that his one desire is to bring glory to Christ and His Church.

"His colleague, Lowell Leistner, has assisted one of my associates in crusades, and his song direction, platform ability and vocal work are of superb quality. This dedicated team would be a blessing to any community and evangelists could back them with their prayers and cooperations."

—Billy Graham

Ministers Meet Friday

KATHLEEN LIVINGSTON, Church Editor

Area-Wide Revival Crusade Jan. 27 - Feb. 10.

One of the greatest revival crusades ever undertaken in the Glades will begin Sunday, January 27, at 7:30 p. m. by 13 Churches of several denominations in Belle Glade, South Bay, Pahokee, and Canal Point, will be conducted under a large canvas Cathedral seating 2,000. The tent will be located west of the New Kwik Chek store in Belle Glade.

Pastors in the Glades-area have invited the E. J. Daniels

Revival Party of Orlando, Florida, to conduct the crusade. Dr. Daniels is the editor of a religious magazine, the author of 10 books, and an evangelist of international reputation. He has preached to as many as 20,000 in a single service and up to 100,000 in a 13-night crusade. Overflow crowds hear him almost everywhere he preaches.

The music for the crusade will under the direction of Lowell Leistner, soloist; and John

Box, organist. Both are rated as among the best musicians in the South. The services will get underway each night at 7:15 with special "Talk with Teens" for Young People and a boys and girls service for those under 12 years of age.

Following these services a color movie depicting the Life of Christ will begin at 7:30. The main song service gets underway at 7:45.

Youth For Christ Rally

Attracts Over 100

Approximately 100 young people were present Monday night, January 7th for the first youth for Christ Rally. This rally was held at the Belle Glade Civic Center under the direction of Rev. Chuck Vanderberg, Director for West Palm Beach Youth for Christ.

A film "Teen Age Rock" was shown, and an invitation was extended to those who wanted to accept Christ as Saviour. Quite a number of young people responded to this appeal.

Rev. Vanderberg said that a rally will be held each month on the first Monday night at the Civic Center. Watch the news paper and listen to the radio for future announcements.

Another statement made by Rev. Vanderberg was that the sole purpose of such a rally is to lead those who realize their need to a personal relationship and commitment to Jesus Christ.

Suffragan Bishop James L. Duncan, D. D. of Miami was put in charge of the crusade by Bishop Louttit. Bishop Duncan as executive director of the crusade, led by Mr. Robert A. Astigay of St. Petersburg as lay coordinator responsible for promotion and publicity.

Bishop Duncan then decided on twelve major population centers. These centers are Orlando, Leesburg, Lakeland, Cocoa, Daytona Beach, Tampa, St. Petersburg, Sarasota, Fort Lauderdale, West Palm Beach, Miami, and Fort Myers. The crusade of faith began January 6th, 1963 and will run to January 13th.

Each city will have five nights of preaching starting Sunday, until Thursday. In each location the mission will start at 7:30 p. m. In West Palm Beach the Crusade will be conducted in the Municipal Center on the round on Military Trail from Sunday evening, 7:30 p. m. Jan. 13 and continue through Jan. 18. Father L. D. Loring announces transportation will be furnished for members not having a car and any friends of St. John the Apostle Episcopal Church wishing to attend the services. A large delegation plans to attend the first service Sunday night.

There will be a half hour of traditional hymn singing followed by an hour of service. Massed choirs of hundreds will be on hand each night.

Frank L. Smith

Will Be Speaker

At Gospel Meeting

The Southside Church of Christ will hold Gospel Meetings each night 7:30, beginning Wednesday evening, January 16, thru Friday evening, January 18, at the Belle Glade Civic Center.

Well known Evangelist Frank L. Smith from Birmingham, Alabama will be the speaker during the meetings.

Congregational singing will be included at each service along with inspiring gospel sermons. No collections will be taken. A warm welcome is extended to all who will come.

Baptist Training Union To Show Film Sunday

Sunday, Jan. 13 at 6:15, the Baptist Training Union will show a film on soul winning entitled "How To Witness," under the direction of Mrs. Tony Stein and Merton Ransley.

WMS To Meet

On Tuesday, Jan. 15 the Women's Missionary Society will hold its regular meeting with the charge of the program on "Home Mission Board. The executive committee meeting will be at 7 p. m. and the general meeting at 8 in the church auditorium.

For baptism to be scriptural, it must be AFTER repentance. "But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation of vipers, who hath warned you to flee from the wrath to come? FLEE FORTH THEREFORE FRUITS MEET FOR REPENTANCE. . . . Matt. 3:7-8. John the Baptist would not baptize the unsaved.

Bibletown, USA Helps Tie Family

Together In Play And Prayer

"Letters, long distance calls, and telegrams attest to the fact that Bibletown's Sacred Concerts have become an integral part of Northern visitors' agendas while in Florida," said Mr. Ira Lechman, President and Founder of Bibletown, after completing a study of "Tourist" Reservation schedules presently on file at Bibletown, U. S. A.

This year, Bibletown intends to coordinate with the nation's program of "togetherness," bringing the entire family together, in play, as well as in prayer.

Therefore, there will be a family Church Dinner at six on Saturday evenings. For this purpose, a newly-appointed dining room, resplendent with floral decorations, shimmering white linens, soft lights, and delightful music of a Premier of Gospel Film Company's color production, "The Tony Fontaine Story," which is America's first Christian, dramatic musical.

"The American tourist represents a mobile, transient community," said a member of Bibletown's public relations staff. "We are therefore planning to use the Gold Coast Press and TV to keep the traveling public, as well as our 'Home Folks' fully informed."

Following dinner there will be a complete program in the ornate new 2500-seat Bibletown Auditorium at 7:30.

Biblical films, of special interest to the entire family will follow "a soul-satisfying sacred concert." Boca Raton will be the first of several cities to participate in this program.

In every sense of the word, this campaign is to be a united effort of several denominations. In explaining why he wanted the cooperation and participation of all denominations, Dr. E. J. Daniels, the evangelist for the crusade, explained to a meeting of area pastors some months ago:

"Experience has convinced me that God sends great revivals to areas when all of the denominations work together for the common cause of saving souls, changing lives and blessing all people regardless of their denominational affiliation. It would do little good to revive one denomination if all of the others were not revived, because the lack of revival on the part of the others would soon 'tune down' the revival spirit. We need every minister and every church of every denomination in this area behind this effort if we are to have the greatest possible victory for God."

Churches of Christ Scientist

Communion services will be held this Sunday at First Church of Christ Scientist and also at all Christian Science branch churches and societies throughout the world. The church tent will be read, and the congregation will be invited to kneel in silent communion. The Lesson-Sermon is on "Sacraments and Bible readings will include this verse from

Matthew 5: "Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will also be read (p. 4): "The habitual struggle to be always good in unceasing prayer. Its motives are made manifest in the blessings they bring — blessings which, even if not acknowledged in audible words, attest our worthiness to be partakers of Love."

TODAY'S Meditation

Now

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Matthew 8:23-27. Lord, save us: we perish. (Matthew 8:25).

The disciples became frightened when the wind threatened their safety in the boat on the Sea of Galilee. They awoke Jesus and said, "Lord, save us: we perish."

One summer morning we decided to drive to the coast for the day. After a while I discovered that our little boat, unable to swim, had floated too far out on our air mattress. Panicked, he was lying across it. I called to him not to move. I swam out to him, got him in the right position on the air mattress and swam back to shore with him in front of me.

It happens often that we experience something like this on the ocean of life. We will sometimes go on our own way against the will of God. Then we become filled with anxiety as we realize we are drifting away from Him. We discover that there is nothing we can do of ourselves to bring us back to God.

In the discovery of our own helplessness, we find that God is watching over us. He who saves our souls through His grace gives us in Christ Jesus, our Savior, calls to us to trust in Him. PRAYER: Heavenly Father, we thank Thee for Thy watchful care. We ask Thy forgiveness for disobedience and neglect of Thy commandments. Grant us power to do Thy will. We thank Thee for salvation through Jesus Christ, in whose name we pray. Amen.

THOUGHT FOR THE DAY "As for me, I will call upon God; and the Lord shall save me."

Flood Control Spending Millions Towards Perfecting Overall Plan

A \$2,132,900 contract was awarded today by the U. S. Army Corps of Engineers in Jacksonville for enlarging a 7.2-mile section of the Kissimmee River between Lake Kissimmee and Lake Okechobee to the Hendry Corporation of Tampa, the lowest of 10 bidders on the work.

The work under this contract will extend from the southernmost navigation lock, northward to the site of the second lock. Bids have already been opened on three of the six locks which will be located along the 60-mile length of the waterway.

When completed, the Kissimmee River will provide drainage for a 718-square-mile area in the central part of the state.

On Feb. 6 bids will be opened on enlargement of Canal 37 between Lakes Hatchineha and Kissimmee as a part of the Central and Southern Florida Flood Control Project. Some 1,630,000 cubic yards of material will be excavated from the canal near the boundary of Osceola and Polk counties. When completed, the works will become a part of the Kissimmee Basin improvement.

Estimated to cost about \$400,000 the work must be completed by the successful bidder with in 487 calendar days, according to the Corps of Engineers.

Bids will be opened on Jan. 31 on two civil works projects expected to cost more than \$1.1 million.

The larger of the two projects calls for construction of a 2.1-mile-long canal (Canal 16) at Boynton Beach and construction of a two-bay spillway as a part of the Central and Southern

Florida Flood Control Project. Expected to cost about \$600,000 the contract will involve dredging of the canal and constructing the steel gated spillway for water control. Some 39,000 cubic yards of material are scheduled to be removed from the waterway.

The successful bidder will be allowed 395 calendar days to complete the job.

Bids will be opened on the same date for continuing the deepening and widening of the Intracoastal Waterway from Delray Beach to Oakland Park. Cost of dredging the 1,168,000 cu. yards of material from the protected waterway is estimated at \$500,000. Located in Palm Beach and Broward counties, the waterway will be deepened two feet and is a part of the Jacksonville-to-Miami enlargement of the intracoastal route.

The waterway will be 12 feet deep from Jacksonville to Ft. Pierce (this portion has already been completed) and 10 feet deep from Ft. Pierce to Miami.

Pontiacs, Tempests Will Be Displayed In Miami auto show

Pontiac Motor Division will display eight new 1963 Pontiacs and Tempests, along with two dream cars, at the Miami Automobile Show, January 10-16, at Dimes Key Auditorium.

Highlight of the display, according to Pontiac General Manager, E. M. Estes, will be the Maharani and Fleur-de-Lis show cars.

The Maharani, which takes its name from Hindu meaning "great queen," is a convertible painted in turquoise pearl, a light aqua color that is also used for the leather interior.

Inspiration for its striking colors and styling is supplied by peacock plumage. The peacock feathers, arranged in a radiating pattern, are bonded by plastic to the Maharani's inner front-door panel.

Senior Girl Scouts Make Plans For Nat'l. Convention

South Florida Inter-Council Senior Planning Board held a meeting Saturday 3, 1963 at the Miami Beach Camp Center for the purpose of making plans for The Girl Scout Convention to be held October 21-23, 1963 at the Convention Hall, Miami Beach.

This planning board is made up of three Senior Scouts from each of the three member councils, Palm-Glades, Broward and Tropical Florida (Dade, Monroe) and reaches from Vero Beach to Key West.

Attending the meeting as delegates from the Palm-Glades Girl Scout Council were Cherie Altman, Lake Worth, Johnnie Nutt and Barbara Wolf, Belle Glade, accompanied by Mrs. Emil Wolf, Senior Girl Scout leader in Belle Glade. These delegates will be joined by three other Senior Scouts, who are not high school seniors and will thus be able to serve actively at the Junior Center at Convention time.

By its existence, this Senior planning board has become the Senior Girl Scout Committee for planning Senior aspects of the convention. The girls met with Miss Dagmar McGill, National Program Committee, Mr. and Mrs. Wm. Milner, Miami, Mrs. Philip Logsdon, Tropical Florida Council, as consultants and advisors for the initial planning meeting.

A total registration of 6,000 including 600 Senior Girl Scout representatives are expected to attend the Convention. At the meeting Jan. 5 among the important things brought up were: Each council may send one delegate based on their 1962 Senior Girl Scout membership. There will be an opportunity for the Senior representatives to serve as Convention Aides with responsibilities determined by staff assigned to various aspects of convention operation. Requests will be made in a month or so; There will be a Senior Center at Convention Hall operating when National council is not in session, the center as in the past has been used for senior Representatives and location for Convention Aide briefing sessions, also for Senior exhibits and a place to leave

Rams Have Company In Basketball's Cellar

Forest Hill and Riviera Beach, who made it a two-team race in the Suncoast Conference basketball season a year ago and eventually became co-champions, are rapidly turning the current race into a carbon copy of last winter's results.

Both won twice last week for identical 6-0 league season records with their first conference clash coming up Jan. 18. But Forest Hill beat Riviera by 8 points in a Christmas tourney Dec. 27 on a neutral floor which takes some edge off their impending meeting for the race leadership.

Only Pahokee, surprisingly potent on the attack, has shown signs of staying close to the pair. But Forest Hill clubbed the Blue Devils 83-49 at Pahokee last week, so there appears to be a wide gulf between the third-place Devils and the co-champs.

A 16 game schedule faces the 11 teams this week, with everybody playing Tuesday, Friday and Saturday nights except Riviera Tuesday and Forest Hill Friday. Forest Hill entertains winless Clewiston Tuesday and Riviera visits winless Vero Friday. Saturday the leaders are both home, Riviera for Stuart and Forest Hill for Seacrest which is tied for fourth with Palm Beach and may offer Forest Hill a sterner test than usual. Pahokee goes to Stuart Tuesday, Belle Glade Friday and entertains Vero Saturday, and the Devils will be favored

names for those who want to get together, and tour information. As in 1960 there will be a senior packet a collection of information including: Greeting letter from Hostess council; "Be Prepared" directed to Senior reps. coming prepared; calendar of dates of senior doings; information on Senior Center; letter from Senior planning board president. Information will also be forth coming for Special Senior Event on Tuesday evening Oct. 22, open to all senior Girl Scouts in the area from 7:00 to 10:30 p.m. All information on how a Lake Worth Senior Girl Scout gets to a National Convention, was also discussed.

Boom Years Over? Or Replaced With Stability

According to R. C. Adams, Jr., Miami District Manager, the Dun & Bradstreet Reference Book of business listings would suggest that the boom years are indeed over. If true, we may take consolation in the suggestion that the explosive boom has been replaced with a serene yet economically important quality of stability.

The Dun & Bradstreet Reference Book, the largest regularly revised book in the world, now lists some 2.9 million regular users of commercial credit. (To control the physical size of this book, infrequent users of credit are not listed even though credit reports are nevertheless prepared on them.)

Yearly count and comparison of these listings show that the boom really ran its course during the post war years of 1945-1955. The nation then returned

for three straight successes to keep that third spot in the standings.

Forest Hill's Frank Saler continues as the loop's top scorer with a 23-points average for the Falcon's six starts. He is top in both field goal and free throw production. Runnerup is teammate Harry Winkler at 19.33. Following are Bob Snyder of Ft. Pierce at 18, Alberto Morrell of Pahokee at 16.40, Martin Amstutz of Seacrest at 15.33, Jack Branan of Vero at 15 and Tom Close of Belle Glade at 15.

Forest Hill again barely missed two league scoring records in a 107-52 romp over visiting Stuart Friday. The Falcon total was 10 points under the Suncoast mark set for former member Pompano nine years ago, and the two-team total was also 10 points under the mark set by Riviera-Lake Worth last winter.

Standing today:

W	L	Team
6	0	Forest Hill
6	0	Riviera Beach
4	1	Pahokee
4	2	Palm Beach
4	2	Seacrest
2	3	Ft. Pierce
2	3	Stuart
2	4	Lake Worth
0	5	Belle Glade
0	5	Clewiston
0	5	Vero Beach

Boom Years Over? Or Replaced With Stability

to something more average. The Florida growth continued at a lower than previous but still brisk pace through 1960. Note percentage comparisons below: Florida 1936-1945, 6.9 percent; 1945-1955, 118.9 percent; 1955-1960, 35.5 percent; 1936-1960, 217.0 percent.

U. S. 1936-1945 5.3 percent; 1945-1955, 37.9 percent; 1955-1960, 2.8 percent; 1936-1960, 34.7 percent.

With regard to the Gold Coast showing, perhaps the most significant thing about 1961-1962 comparison of business listings is the lack of significant change. Most cities in this area showed a break-even or a small decline. There were few exceptions.

Dun & Bradstreet Listings
Belle Glade, 1962 184; 1961, 164.
Boca Raton, 1962, 250; 1961, 211.
Boynton Beach, 1962, 200; 1961, 188.
Deerfield Beach, 1962, 145; 1961, 124.
Delray Beach, 1962, 432; 1961, 413.
Ft. Lauderdale, 1962, 3,882; 1961, 3,600.
Homestead, 1962, 271; 1961, 241.
Naples, 1962, 293; 1961, 286.
Pompano Beach, 1962, 938; 1961, 883.

In support of the increased business stability we might look at business failures in Dade, Broward and Palm Beach Counties. Here is an eleven-month comparison of number of failures:

Fla. Race Tracks Bring Each County \$13,500 For Year

State Comptroller Ray E. Green said today checks for \$13,500 are being mailed to each of the state's 67 counties as their share of the race track tax fund.

The Comptroller said a total of \$53,000 has been sent to the counties thus far during the current fiscal period. This is an increase of \$4,500 over the same period during the previous year.

RESOLUTIONS

Someone has said: "Good resolutions and babies crying in church are a lot alike," both should be carried out immediately. We must resolve to live a better life. Think of the great spiritual power in resolving to do the following things!

- R — Read the Bible. (1 Tim. 4:13)
- E — Endure Hardships. (Heb. 11:27)
- S — Shine for Christ. (Matt. 5:16)
- O — Obey the Gospel. (Heb. 5:9)
- L — Love God and Mankind. (Matt. 22:37-39)
- U — Uphold the Truth. (Phil. 1:20)
- T — Teach all nations. (Matt. 28:19, 20)
- I — Increase in Wisdom. (Prov. 1:5)
- O — Observe Lord's Supper. (Acts 20:7)

F. Hale Announces Playhouse Season

Frank J. Hale has announced the entire 10-week season of attractions at his Royal Poinciana Playhouse. Emphasis during the 1963 season will be placed upon the return to the Playhouse of the most popular stars from past seasons and upon a refreshing variety of comedy fare.

Opening the season on January 21st will be Eva Gabor in "A Shot in the Dark," to be followed on January 28th by Hans Conried and Elizabeth Ashley in "Take Her, She's Mine." Two comedy hits of the 1962 Broadway season, Miss Gabor's vehicle is an adult farce-melodrama adapted from a French hit, while "Take Her, She's Mine" is a warm family comedy of universal appeal.

During the succeeding weeks three more beloved stars will be welcomed back to the Palm Beaches. On February 4th Arlene Francis, directed by her husband, Martin Gabor, will open in "Janus." Following on February 11th will be "Write Me a Murder," last season's chaise-longue hit. The following week Hugh O'Brian will star in "The Tender Trap," like "Janus" a highly successful sophisticated comedy of several seasons ago. Beginning February 25th, Faye Emerson will assume the role of her a delightfully different role, that of Mrs. Levy in Thornton Wilder's near classic, "The Matchmaker."

Returning to the current Broadway scene Mr. Hale will present Jack Carter, popular TV and nightclub performer in "A Thousand Clowns," a zany farce, opening March 4th. The closing Playhouse production beginning March 25th will also be a still running hit, "Mary Mary," Jean Kerr's incredibly successful comedy composed of bright satire and tender humor will star Jeffrey Lynn. Also returning to the Playhouse for his third box office record-breaking appearance will be Fred Waring and his Pennsylvanians Opening March 11th he will be presented in an all new program entitled "Fred Waring and His Wonderful World of Music." Rounding out the season for the week beginning March 18th will be "The Rainmaker," the M. Richard Nash romantic comedy, starring

light up outdoors

Dressed up with light, your patio, pool, yard or terrace can be even more attractive at night than in the daytime. You can accent favorite beauty spots and add new nighttime charm, viewed from indoors or out. Outdoor lighting can transform even a tiny backyard into a big extra living room.

Inexpensive electric "lightscape" units are easily attached to house, garage, trees, or "planted" in the ground. A few fixtures and you're in business.

And lighting up your driveway, steps, walks and other outdoor areas helps prevent accidents... provides security and protection from unwelcome prowlers.

NEW! ELECTRIC POST LIGHTS
The lights turn ON at dusk; OFF at dawn—automatically!
They cost less to buy and less to operate than flame type—and supply much more light. Posts have extra wires for plugging in radio, television, hedgecutter, or other electrical appliances and garden tools. See the display of outdoor lighting fixtures at your electrical contractor or favorite store.

Be sure to ask for the free booklet...
"OUTDOOR LIGHTING" checklist of ideas for yard, garden, terrace, pool and patio.

Bean City visited their son and family, Mr. and Mrs. Buddy Harrell in Indiantown on Sunday. Enroute home on Sunday, Mrs. Harrell and family, Mr. and Mrs. A. J. Harrell in West Palm Beach.

Rayford Smith of Belle Glade was admitted to Belle Glade Memorial Hospital for a few days but is now home recuperating.

Mr. and Mrs. Richard Byrd are making their home in Bean City.

Mr. and Mrs. Jack White and son, Rodney, visited their son,

Miss Karen Vadaz Had Hectic Time Traveling

Miss Karen Vadaz left by plane Sunday from West Palm Beach to return to Cincinnati, Ohio where she is attending the Cincinnati Conservatory of Music, after spending two weeks with her parents, Mr. and Mrs. Al Vadaz at South Bay. About midnight she called home and reported the plane couldn't land because of fog and that she was in Detroit, Mich. She hoped to get a plane out Monday a.m., but it did not take off.

Karen also had trouble coming down. She made her plane reservations in October but all planes were grounded, right up to Xmas. She and some classmates took the train, standing up five hours before getting a seat. Arriving in Jacksonville the train was late and had missed connections with the south-bound train to West Palm Beach. They reached around town to the bus station and finally arrived, but not on time.

America Legion's Scholarship Handbook Presented To BGHS

The American Legion's education and scholarship handbook "Need a Lift?" containing information about hundreds of college and vocational school scholarships for qualified high school students of this area has been presented to Belle Glade High School and the Belle Glade Public Library by Everglades Post 20 of the American Legion.

This annually revised publication for the 1962-63 school year is recognized as one of the most complete and up-to-date sources of career and scholarship information in the United States. The handbook does not

limit its listings to children of veterans, but contains scholarships and educational aids which are available to all students.

Jack Rashley, Education and Scholarship Chairman, of the Everglades Post 20, stated that thousands of young people have not taken advantage of the generous educational aids which are available due to a failure to plan early for their future education.

He mentioned in particular the Junior GI Bill which provides up to \$110 per month for four years of educational help for sons and daughters of veterans who lost their lives as the result of military service. One half of the young people eligible for this help have failed to apply, Mr. Rashley said.

Experience has proven that plans for higher education should begin during the student's sophomore year in high school. "The boy or girl who starts considering career and scholarship sources early, is the one with the best chance of going on to school," he said.

Parents and students are encouraged to make use of the copies of "Need a Lift?" provided as a service to the community. The publication, prepared by The American Legion's Education and Scholarship Program National Americanism Division in Indianapolis is now in its 12th edition with distribution of more than three quarters of a million copies since its first issue in 1951.

Mrs. McWhorter Attends Services For Brother

Mrs. Dora McWhorter attended services for her brother, R. L. Love, 87, who died Friday, Jan. 4 after an extended illness. Rites were conducted Monday at the Calvary Baptist Church, with burial at the cemetery at Savannah, Ga.

Mrs. Charlie McWhorter and daughter, son, Ronnie accompanied Mrs. McWhorter to Savannah, Ga., to visit her parents and take Ronnie back to Georgia Military Academy.

They left Belle Glade Saturday afternoon and are expected back today.

Each year Florida truck growers plant enough snap beans to form a 200-ft. strip extending from Florida to Washington State.

OTHER BOOK REVIEWS

Ship of fools. Porke.

This is a novel to be intensely, or not at all. Bitter, brusque, but intriguing, it is a technically superb piece of writing, with rich characterization. A shipload of assorted artists, business men, Gypsy dancers, and vermin-infested migrant laborers are thrown together in a tour de force which takes them from pre-war Mexico to Germany, with ports of call along the way. There is nothing endearing about the characters, with possibly one exception, but they fascinate.

The Serpent's Coll. Mowat.

The amateur weather prognosticator, who charts the Season's hurricanes with map and magnets on the den wall, the lover of sea adventure stories, and the reader who appreciates a well-knit narrative should all react favorably to this true and a touch of a hundred day ordeal which is without parallel in modern times. It is the story of the survival of a ship that would not die, and, more vitally, the story of a handful of men who showed heroic endurance in the face of outrageous odds. The villains of the piece, two of the 1948 hurricanes, assume personalities, but have more numbers for names.

The Incredible Journey. Burnford.

This little story has the makings of a classic. An unlikely trio of household pets, a young Labrador retriever, a Siamese cat, and an old bull terrier make this journey of 250 miles through Canadian wilderness. Motivated by devotion and fidelity to their owners, the wayfarers survive the trek, depending upon one another for food, protection, and companionship. Around their journey and the lives they unknowingly touch enroute, are woven a believable, warm work of art. Some books are to be tasted, others to be swallowed, and some few to be chewed and digested. —Francis Bacon.

COWBOY ENCYCLOPEDIA

Tom Mix and Wyatt Earp would approve. Rand McNally has put out an encyclopedia of the wild west fan. It defines such terms as "cayuse," "poker chip draw" and "wringing." It demonstrates the intricacies of hitching knots to the satisfaction of the greenest dude. Any youngster who enjoys cowboys and Indians will appreciate these definition and illustrations.

GIRL SCOUTS

Custard Apple Girl Scout Neighborhood Association met Friday, January 4, 1963 at the home of Mrs. Mendal Lane, with Mrs. Guy Wood, Jr., presiding. She reminded delegates of the annual Palm Glades Council

Over 1240 Attend Jehovah's Witnesses Three-Day Assembly

Jehovah's Witnesses of the Belle Glade West unit congregation were well represented at the three-day assembly in Ft. Lauderdale, Mr. Milligan presiding minister, said.

"The Bible's Answer to Our Problem of Survival" was the feature address by Mr. Willie Anderson, a district supervisor of the Watchtower Bible Society.

An enthusiastic audience of 1242 heard the speaker say that "Man made nuclear war, atomic fall-out and population explosion has a giant competitor, the threat to survival posed by Armageddon."

The audience eagerly embraced the answer to the problem of survival offered by the speaker. "How May You Survive?" by seeking Jehovah and his righteousness, by developing meekness and a fine heart toward God.

Twenty new Witnesses for Jehovah were ordained as ministers upon symbolizing their dedication by baptism.

THANK YOU

We are sincerely grateful to our friends and neighbors for their many kind acts of sympathy during our sad bereavement. Our thanks to all for the comforting acts, the beautiful services, floral offerings and cards. Your kindness will always be remembered.

WARNING

To the thief who stole the carburetor, generator, etc. from my '54 Dodge truck on Dec. 22, 1962: You left a wrench with your identification and several sets of finger prints. I know who you are and what you did with the stolen parts (which I can positively identify).

If you will return them I will drop charges. Put them on the patio at the new house at which the truck was parked by Sat. 5 a. m. 19th, or face a jail sentence.

Negro News - Violette Club Active In Glades

The Violette Savings Club of Belle Glade, under the leadership of President Gladys Tucker, has had a year of successful activities. The Club holds bi-weekly meetings at the homes of its members. Other officers are Recording Secretary, Mrs. Lella Moore; Financial Secretary, Mrs. Margaret Poole; and Treasurer, Mrs. Corinne Ghent.

In August the Club presented its Annual Tea. Mrs. Juanita Wilson was the speaker. The twenty-two members saved \$526.47. In addition, they have special fund for helping needy persons.

The Violette Club held its Christmas Party December 17, at the Recreation Center. Gifts were exchanged by the members and each guest was presented with a gift also.

The Violette's books are open for new members January 14 through June 30.

To Our Members And Friends

(A Report from your Belle Glade Chamber of Commerce)

Entering the New Year we not only like to quote the Good News of the past year but something to think of as we go forward.

Christmas is gone and none of our merchants have suffered for the want of business which is 25 percent or better than 1961. You all know the new Sugar Mills have brought in many new people as well as the large number of them here all summer in construction work. The only ones hurt in the last cold spell were the Cattle Boys.

Santa Claus was brought in by plane sponsored by the Jr. Chamber of Commerce and TEN of our retail merchants contributed funds for Santa to play with us 2 weeks visiting on the streets greeting children. The Jr. Chamber of Commerce looked after Santa and he visited several of the schools, both colored and white, giving apples, furnished by the Chamber of Commerce, to all first grade children at their Christmas parties, including the white and colored camps.

Do you know that it only takes two the Chamber of Commerce and YOU to produce Prosperity and Progress for not only Belle Glade and South Bay but the entire Glades. Let's all pull together in 1963 and make our Glades a place we are all proud to live in.

As you know we are now approaching the Largest Harvesting Season these Glades has ever experienced. Our Better Business Division wants to Alert you to the fact that where there is Big Business there are also the fast boys and the high powered voice on the telephone soliciting. If any of them do not have Police or Chamber of Commerce cards, call in to either the Police Station or the Chamber.

DON'T INVEST UNTIL YOU INVESTIGATE! It is encouraging to all of us here at your Chamber office, to see the 1963 dues payments coming in at such an early date. I. L. informs me that receipts of payments is breaking all past records.

We appreciate your continued support and we're looking forward to another year of progress.

Bob Lee, President
The Belle Glade Migrant Committee, who operates through the Chamber of Commerce in cooperation with the County and State Welfare, carried out the program for Christmas under the direction of retired Major General Bivans of the Salvation Army—Emphy Stockton Fund. We feel sure all were cared for from Lake Harbor, South Bay and Belle Glade.

"THIS IS THE TIME"
This is the time of endings, but of new beginnings, too. God sends us another year and maketh all things new.

Another hope, another change, another road to take, another star to follow, and another start to make.

New beginnings, new adventures, new heights to attain. Golden opportunities to work and build again.

New and higher aspirations for the future days. Seeking, dreaming, moving on down bright and better ways.

Intercoastal Waterway Bids Asked

The Army Corps of Engineers in Jacksonville today announced that bids will be opened Jan. 17 on maintenance dredging job on the Intracoastal Waterway between Nassau River and Hobo Sound. The maintenance dredging job is to remove seven shoals in the Atlantic Intracoastal Waterway at a cost estimated at \$200,000. Some 36,200 yards of sand will be removed from the Nassau River to St. Johns River portion and about 315,000 cubic yards of material are scheduled to be dredged from the portion between St. Johns River and Hobo Sound in Martin County.

The successful bidder will be required to complete the maintenance dredging within 230 calendar days.

Glades Area

With Christmas and New Year's holidays past, as well as all of the football Bowl games played, we can settle back but not for long. Tension is building up and fast among our youth here in the Glades Area as the South Florida Fair opening approaches. These 4-H Club members showing calves are busy getting them ready for the Fair. Youngsters to put their best foot forward so as to capture the Judge's eye and that all-important blue ribbon. Youngsters showing animals are: Debbie Sellers, Terry Priest, John Kidd, Jimmie Miller, Patty Hill, John Causey, Jr., Teddy McGill, Mike McGill, Allen Webb, Walter Webb, Oren Billing, Peggy Biting, Roger Harrell, Myron Mansfield, Mike Mansfield and Jimmie Jackson to name a few. Both beef and dairy animals will be shown by these club members.

The cold weather not only killed a lot of the vegetable crops and cane but created a very dangerous fire hazard. The dry grass on the ditch banks can be the start of a disaster by a careless smoker throwing a lighted match or cigarette along the road side. We suggest you either chop, mow or even disk a fire guard between your pasture and roads to give protection to your fields or pastures. A

mowed strip 20 to 30 feet wide around your field will give protection and will not be difficult to accomplish.

Rice growers in the Glades area are to vote on January 11th on Marketing Quotas for the 1963 rice crop. Quotas have been in effect for the past eight rice crops, and was approved by 84.2 percent vote last year. We urge rice growers to vote and make their wishes known as to the quotas for this year's crop. Voting will take place at your County Agent's Office in the Glades Office Building. Sweet corn growers will have until midnight, Monday, January 14th to mail their ballots on the Sweet Corn Referendum to Commissioner of Agriculture, Honorable Doyle Conner. If any sweet corn grower did not receive a ballot in the mail, he should obtain one from your County Agent's Office. We urge all sweet corn growers to vote on this very important issue.

Initial sign-up period for Agricultural Conservation Program will end on January 15th. All growers who intend to carry out ACP practices during 1963 should file their applications in the ASCS Office in the Mounts Building, on North Military Trail, in West Palm Beach or the County Agent's Office in the Glades Office Building.

UNCLE DAN from DOODLIE says:

Dear Mister Editor:
My lady served notice on me official this morning that she aims to attend the next session at the country store and put the fellers straight on the facts of life.

All this come up on account of me telling her about another big problem that is facing the new Congress.

I was reading in the papers where the Government bought a whole business block in Washington in 1960 and tore down all the buildings on it, fer a total cost of \$6 million. It was figured at the time that Sam Rayburn had plans for some sort of Government building on the lot.

Well, now that Mr. Sam is dead, none of them Congressmen can recollect exactly what Mr. Sam had in mind and a big debate is going on amongst them now about how to fill up the vacant block.

According to the papers, the Congress has about decided to build a Memorial to President Madison on it, with a big underground warehouse for storing important records. The best price they been quoted by contractors to now on this building is \$39 million.

Congressman Scott of Pennsylvania is claiming this plan has got two bad features. First off, he says, the Lincoln Memorial didn't cost \$3 million and it wouldn't be fair to let Abe to spend \$39 million on somepon for Madison. In the second place, he allows as how it wouldn't be long till they got to looking fer expensive blocks to tear down fer a Memorial to Andrew Jackson or somebody. He says it might start a trend that would tear down the whole city of Washington and set the public debt back another 50 year. He claims it is the history of the Congress to go whole hog or nothing in such matters. And I figger it wouldn't be more'n a year till they moved their records out of the storage space and put surplus crops in it. I have wrote to my Congressman advising it would be better to sew this block down in le-pedeza and put it in the Soil

Bank. I'm expecting to git a 2-page reply thanking me fer my fine suggestion and advising that when the new Madison Memorial is dedicated I'll git a invitation. But my old lady says waste in big Government is like fleas on a dog, the bigger the dog the more the fleas. This is a fact of life, she claims, that the fellers at the country store go on like that—and she aims to tell 'em.

I just hope, Mister Editor, that her and Zeke Grubb's preacher don't git there the same night. If they do, one of 'em is going in orbit.

Yours truly,
Uncle Dan

County Employees To Have Physicals

County employees of the future will all have to undergo and pass physical examination before they go on the job, according to a policy which the county commission has adopted.

In answer to a request from the county health department, the board voted to notify all department heads and elected officials whose employees come under responsibility of workmen's compensation, that future employees will have to take physical exams.

Further, department heads were asked to furnish the health department with a list of job classifications, so that physical capabilities could be matched with the type of job an employee would be called on to perform.

THANK YOU

God bless you Dr. Brown, Dr. Gray, Mr. Saunders, and everyone in Belle Glade Memorial Hospital who gave me such wonderful care during my recent illness, and the dear friends for prayers, visits, gifts, telephone calls, beautiful flowers and cards. Thank you.
Agnes Baker

Sunshine 4-Her Club Sew Gowns For Needy

The Sunshine 4-Her of Belle Glade combined work and fun at a sewing party held at the home of club member, Mary Chapman, on December 28th from 9:30 a. m. to 2 p. m. The sewing of several flannel baby gowns was for their Community Service Project. After a morning of sewing, the girls enjoyed a delicious lunch and then together with their leader, Mrs. Wayne Baughman, and Mrs. R. H. Lewis, and accompanied by Mrs. Herbert Chapman and son, Les, and Chip Lewis, delivered the gowns to Mrs. I. L. Price, for distribution to the needy.

Members attending were Jackie Baughman, Debbie Lewis, Mary Chapman, Lillian and Rita Tomeu, Aggie Gressinger, Janis Kidder and Cynthia Thibaud.
